APEXROMTON TOKEN

The Apexrom Token is the core value unit powering the Apexrom ecosystem. It is a 90% decentralized token managed by communities thanks to its use within the ecosystem and the Balance/staking method.

Apexrom Token supply, which is planned to be 990,000,000 units in total, has a continuously decreasing structure in circulation in the following years thanks to its burning feature while it is being produced. Thus, one of our main goals is to reduce the Apexrom token supply to 1,000,000 units together with the community.

TOKEN STRUCTURE

2025 / 2042

◆ Transparent Transactions

Powered by the TON blockchain – ensuring secure, lightning-fast transactions with public explorer access for full transparency.

◆ Locked-in Stability

A multi-signature smart contract securely locks designated wallets until 2042, with scheduled periodic unlocks to ensure long-term trust and controlled distribution.

◆ Community-Driven Governance

Apexrom is truly decentralized – there is no founder or company control. Liquidity and key decisions are governed by the community to maintain fairness and sustainability.

◆ Ecosystem-Ready Infrastructure

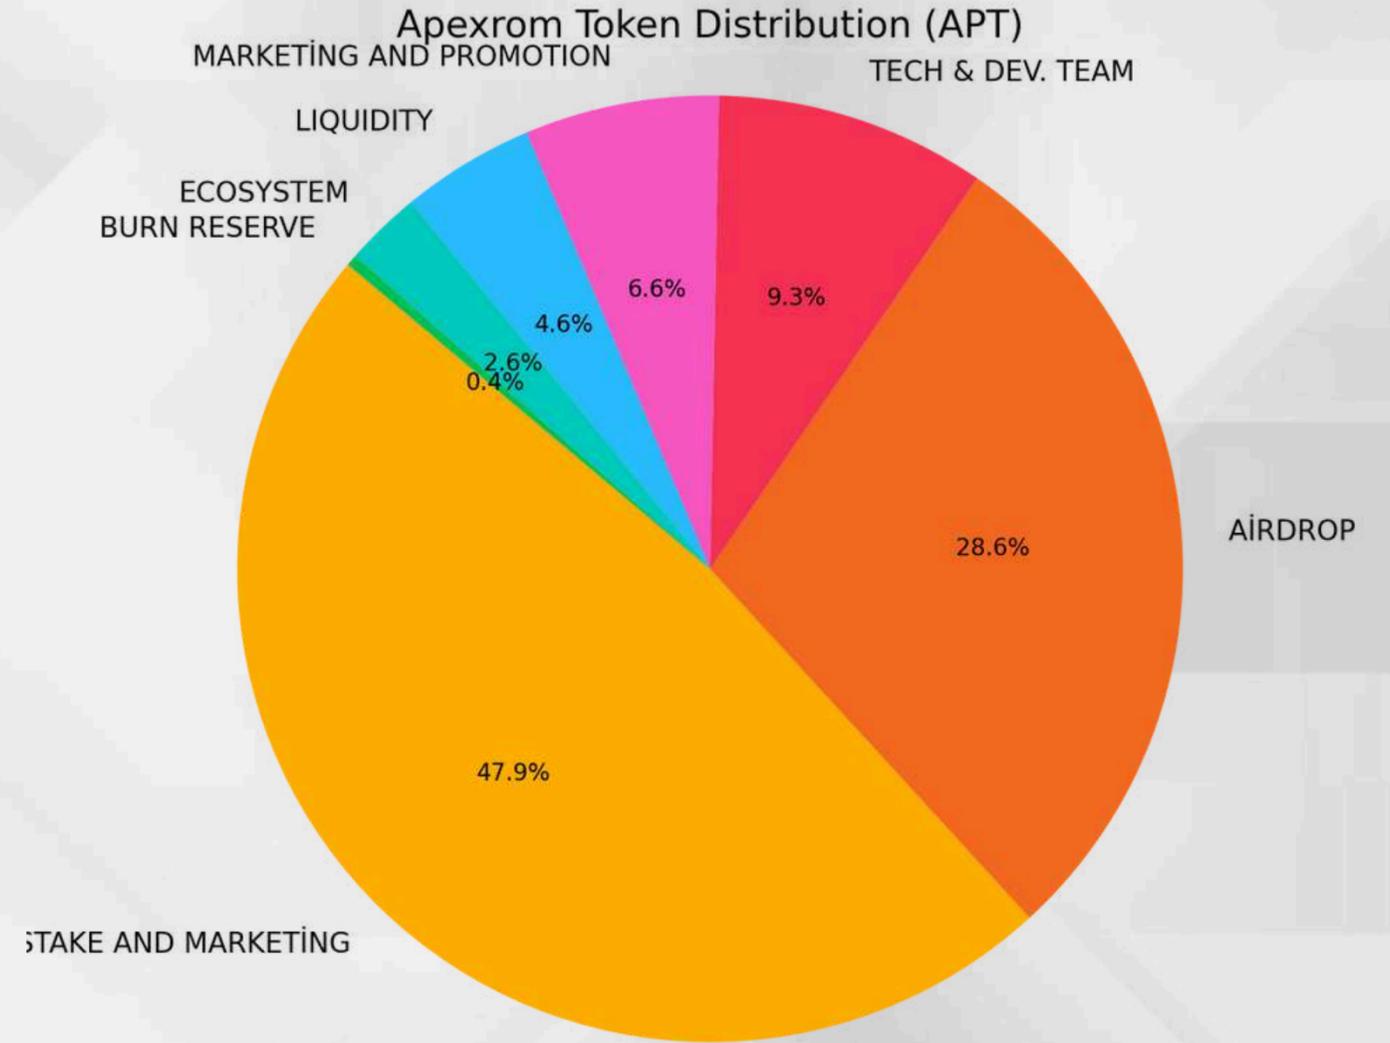

Backed by a functional and rapidly expanding ecosystem, Apexrom is built to support real utility, token growth, and long-term value within the TON network.

POWERED BY SMART BURN STRATEGY

POWERED BY SMART BURN STRATEGY

- All staked tokens that reach a maximum 2X, 3X value in USD are burned.
- Tokens used within the Apexrom ecosystem (such as in games, staking, or services) are automatically incinerated.
- Apexrom ecosystem revenues are used to buy back tokens from the market — and these tokens are permanently burned.
- Apexrom is a deflationary token by design, with continuous burning built into its core mechanics.

APEXROM VOUCHER MARKET

Within the Apexrom ecosystem, you can redeem voucher points you earn for various rewards by selecting the product you desire.

**APEXROM IS MORE THAN A PROJECT — IT'S A PURPOSE.
WE ARE HONORED TO SHARE THIS JOURNEY WITH YOU.
TOGETHER, WE GROW STRONGER, FASTER, AND SMARTER.**
